Milestone Scientific to Present at the FireRock Conference in NYC

LIVINGSTON, NJ, October 24, 2014 -- Milestone Scientific Inc. (OTCQB: MLSS), a medical R&D company that designs, patents, incubates and commercializes a growing portfolio of innovative injection technologies, today announced that management will present on Tuesday, October 28th at 9:45 a.m. EST at the FireRock Conference at the Springmills Landmark Building located at 104 West 40th Street, New York, NY.

FireRock Capital is a diversified financial services firm headquartered in New York City with offices in Los Angeles and Israel. The company's annual micro-cap conference is an invitation only event that attracts hundreds of high net worth investors and financial leaders. This full day conference will also include panels comprised of top deal makers as well as the leadership of FireRock's portfolio companies.

Additional information about the conference and registration can be accessed on the Firerock website located at www.thefirerockconference.com.
